 - Notes – lots of windows – where do you go? Need planning for this
 - Blinds are 20 yrs old – clutches are broken and never been serviced, and can't be fixed = safety concern – quotes being requested
 - Old blinds to be repurposed for extra security
 - Funded out of school budget – concerns discussed re: using school budget for blinds b/c not covered

Discussion:

- JN: please say 3 strengths of school, 3 weaknesses
- LA: Strengths: Staff, Students, Strong student government
Weaknesses – missing courses that do not service all our students e.g. more hands on, diverse topics, operational issues – room numbers, 2 photocopiers = bottleneck, Building capacity with staff
- Follow up from last year – TVs from the SAC funds are up and working
took a while to get working – still some glitches but they are being used to send information to students – slides etc.
- CP – please arrange for a tour of the school for the SAC

19:15 SSP

- New curriculum for Grade 7/8 students
 - Skill building – compare, analyse etc
 - Will be coming for grade 9-12 in next 2 years
 - Active learning and sharing – promotes growth in students beyond knowledge
 - Teaching - How can I change my approach, do I have to evaluate with a test – alternative assessments
 - Does not affect IB – in fact, already doing some of this
- O2 – Outcomes are also skill based, go out and do work
 - Still take math/English but shift connections to what students are interested in
- Student Success Survey – all students in HRCE and Parents /NS – HW data will be sent to LA and she will share
- Push for Academic Grade 10 math for all students to be successful – meeting the 65% as a standard – pushed in 2021/22 – 50% gets the credit
 - How – create a data wall – identify students to target interventions and bring students up if needed
 - Need more supports – e.g. IB students can do CAS hours as tutors
 - Not for essentials or math at work
 - Note essentials includes practical math – taxes, loans etc

19:35 Grade 10 report - SB

- Schedule was confusing at first but students are getting used to it

 - Notes – lots of windows – where do you go? Need planning for this
 - Blinds are 20 yrs old – clutches are broken and never been serviced, and can't be fixed = safety concern – quotes being requested
 - Old blinds to be repurposed for extra security
 - Funded out of school budget – concerns discussed re: using school budget for blinds b/c not covered

Discussion:

- JN: please say 3 strengths of school, 3 weaknesses
- LA: Strengths: Staff, Students, Strong student government
Weaknesses – missing courses that do not service all our students e.g. more hands on, diverse topics, operational issues – room numbers, 2 photocopiers = bottleneck, Building capacity with staff
- Follow up from last year – TVs from the SAC funds are up and working
took a while to get working – still some glitches but they are being used to send information to students – slides etc.
- CP – please arrange for a tour of the school for the SAC

19:15 SSP

- New curriculum for Grade 7/8 students
 - Skill building – compare, analyse etc
 - Will be coming for grade 9-12 in next 2 years
 - Active learning and sharing – promotes growth in students beyond knowledge
 - Teaching - How can I change my approach, do I have to evaluate with a test – alternative assessments
 - Does not affect IB – in fact, already doing some of this
- O2 – Outcomes are also skill based, go out and do work
 - Still take math/English but shift connections to what students are interested in
- Student Success Survey – all students in HRCE and Parents /NS – HW data will be sent to LA and she will share
- Push for Academic Grade 10 math for all students to be successful – meeting the 65% as a standard – pushed in 2021/22 – 50% gets the credit
 - How – create a data wall – identify students to target interventions and bring students up if needed
 - Need more supports – e.g. IB students can do CAS hours as tutors
 - Not for essentials or math at work
 - Note essentials includes practical math – taxes, loans etc

19:35 Grade 10 report - SB
