Oct 19 / 2020

Dear Students, Parents, and Families:

Our Halifax West students are doing great adapting to the changes, and our new procedures and expectations that are part of our back to school plan to adhere to the public health guidelines. We appreciate their flexibility and cooperation.

Photo Day - Tomorrow Oct 20 / 20 is school photo day. Once the students have their photos taken our photo company will send the proofs back to our school and we will send them home with the students if you wish to purchase photos.

Masks - We now have Halifax West Masks for sale in the main office for \$6.00. Please remind your child to bring a non-medical, reusable mask to school each day as our supplies are very limited.

Lunch – Helping students adhere to the expectations during the lunch hour is a big challenge on days when the weather is poor and students cannot get outside.

A reminder that:

- Students must eat their lunch in one of our designated classroom lunch rooms. During the lunch hour, students are not permitted to gather in large groups or walk the hallways.
- Students are permitted to leave for lunch as well, eat their lunch outside on the nice days, or grab something off site.

Clothing - With the fall weather upon us please remind your students to dress appropriately for the weather, especially those rainy windy days. We want to ensure that the students have the appropriate clothing for travelling to and from school, for lunchtime, and for when their class goes outside for a break.

Thanks for all your support in helping us with the changes that this year is bringing us.

Have a great day

Greg, Marilyn, Glen, and Karen
Halifax West Admin Team
