Grads and Parents:

Graduation ceremony photographs will again be made available for each graduating student as s/he receives their diploma. Portraits will also be available at the Prom.

All orders should be mailed out before the end of July 2016. Since there has been a strong demand for this service in the past, photos may also be preordered by filling out the attached form and mailing it in with payment.

Parents and graduates may also order at each of these events by visiting the order desk at the graduation ceremony and at the photographer's desk at the prom.

Other sizes and quantities are available by visiting the order desk at either the grad or prom.
