Dear Grads and Parents:

Graduation ceremony photographs will again be made available for each graduating student as s/he receives their diploma. All awards, scholarships and special presentations will be photographed and can be ordered. Studio portraits will also be available at the Prom.

All orders will be mailed out before the end of July 2018.

Since there has been a strong demand for this service in the past, photos for both grad and prom may also be preordered. You may order at the event by visiting the order desk at the graduation ceremony or the photographer's desk at the prom.

Payment at the event is by cheque or cash only. You may order in advance by using the form below – payment can then be made by cheque or EMT. If paying by EMT, please fill out the order form below, send it to me followed by either a phone call (902-499-2409) or email at mdphoto@eastlink.ca.

To find out about other sizes and quantities, please drop by the order desk at the event.
